“Strandhotel Zingst” is one of the best hotels in the world

Zingst, August 22, 2024 - Two awards go to the “Strandhotel Zingst” in August: Every year, the renowned Austrian travel magazine “Falstaff TRAVEL” selects the best hotels in Austria, Germany and Switzerland. The “Strandhotel Zingst” was included for the first time with 91/100 points. The hotel scored full marks in the wellness and location categories. The Zingst hotel also scored 14 out of 15 and nine out of ten points for service and ambience. At the same time, the owner-managed hotel was named one of the best-rated hotels in the world by the rating portal “HolidayCheck” with 5.3 out of 6 points.

"The awards came as a complete surprise. We are therefore all the more delighted. Above all, the fact that our service only missed the top mark by one point makes us very proud and spurs us on," explains Hotel Director Kai Harmsen

Every year, Falstaff TRAVEL readers and a jury of experts select the best hotels in Austria, Germany, Switzerland and South Tyrol. Over 1,200 hotels, spread across four countries, made it into the best lists this year. Almost 340 hotels were able to top their score from last year, 120 hotels were newly included in the ranking, including the Strandhotel Zingst. The Hamburg hotel “The Fontenay” scored full marks as the best hotel in Germany.
