

Press release

Alexander Stiller new director of the “Quellenhof”

Aachen/ Düren, 31.10.2024. Aachen's premier address has a new boss: Alexander Stiller will be the new director of the Parkhotel Quellenhof Aachen from November 1. The 51-year-old replaces Andreas Wieckenberg, who has unfortunately left the hotel after three and a half years for personal reasons.

“Alexander Stiller has proven his skills at numerous addresses in Germany and abroad. With him, we will continue on our path of continuously renewing the Quellenhof and sharpening its profile,” says Benedikt Jagdfeld, Managing Director of the Quellenhof and head of the Düren-based asset manager ‘Jagdfeld Real Estate’, which manages the hotel.

The trained hotel specialist once started at the “Sheraton” in Frankfurt am Main and held positions at the “London Sheraton Park Hotel”, the “Le Meridien Abu Dhabi”, the “Hilton Hurghada Resort” and other hotels in the UK, the USA and Germany, before most recently becoming the director of the 4-star superior hotel “Precise Resort Schwielowsee” in Werder near Berlin. “The repositioning of the Quellenhof as an individually managed top-class hotel has already been very well received on the market. I am delighted to be able to set further accents on this successful path,” explains the Hamburg native.

About Parkhotel Quellenhof Aachen

Located in the heart of the city, right next to the Kurpark, the Parkhotel Quellenhof Aachen was opened in 1916 and its lobby, fireplace and tea room as well as the London, Vienna and Lakme conference rooms were extensively modernized in 2023. Behind the elegant façade is a unique hotel to feel at home in - for business and leisure guests from all over the world as well as for the people of Aachen. 122 rooms and suites - including 33 completely redesigned rooms on the “favorite floor”, which will also be completely renovated in 2023 - with furniture and accessories specially made for the Quellenhof underline the incomparable character of the hotel. Warm, subtle colors and fine materials create a pleasant,
