Olaf A. D. Schulze Named New Center Manager of “Riesapark” and “PEP Torgau”

Düren/ Riesa/ Torgau, 19-11-2026. „Jagdfeld Real Estate“ has appointed Olaf A. D. Schulze as the new center manager for the “Riesapark” and “PEP Torgau” shopping centers **.** Schulze, who holds a degree in real estate management (DIA) and has worked in leadership positions in the real estate industry for over 30 years, will assume responsibility for the two retail locations in Saxony starting in January.

“We are pleased to have brought on board Olaf A. D. Schulze, an experienced professional with extensive knowledge of retail real estate,” said Michael Bünnagel, Head of Center and Property Management at Jagdfeld Real Estate. The 63-year-old, who will officially assume his position on January 1, is currently being tra ined by interim manager Peter Glöckner, who is scheduled to step down at the end of the year. “A heartfelt thank you goes to Peter Glöckner, who has done an outstanding job and has been a reliable point of contact for all our local partners and customers,” adds Bünnagel.

Schulze, a native of Berlin who has served as a leasing manager at METRO and mfi, among other roles, and holds the “Certified Shopping Center Manager (ebs/GCSC)” designation from the ebs European Business School Real Estate Academy, is looking forward to his new role: “Successful center management is only possible through listening. I want to position ‘Riesapark’ and ‘PEP Torgau’ even more strongly as vibrant gathering places in the region. For me, that means: short distances, a high quality of the visitor experience, and a willingness to listen to the wishes of our visitors and partners,” said Schulze.

The “Riesapark”

The “Riesapark” in Riesa, a city of nearly 30,000 residents in Central Saxony, offers over 45,500 m² of space to large anchor tenants (Aldi, toom, Medimax) in the grocery, consumer electronics, and home improvement sectors. With nearly 30 stores, 3,000 free parking spaces, optimal integration into the public transit network, and direct access to the B 169, the “Riesapark” is a central destination for a large catchment area.

The "PEP Torgau"

The "PEP Torgau" in Torgau, northern Saxony, serves as a retail hub for the nearly 20,000 residents of this rural county seat and its surrounding area. The shopping center spans 30,000 m² and offers a diverse mix of retailers, including Kaufland, dm, and Obi. "PEP Torgau," which comprises about 30 stores, is very easily accessible by car (just under 700 parking spaces) and public transportation.

Electric car drivers can also expect four fast-charging stations with eight charging points, capable of charging at a power output of up to 400 kW. They are powered 100% by green electricity.
